DASHBOARD PROGRAMS ▾ MANAGE ▾ SCHOOL ▾ Hi Sydney! ▾ LANGUAGE ▾

The screenshot shows a web application interface. On the left is a map of the Vancouver area with various locations labeled. A red heart icon is placed over the city of Portland. A dropdown menu is open over the map, titled 'Herbst Household'. It contains two buttons: 'MANAGE HOUSEHOLD' (white with a grey border) and 'ODYSSEY PROGRAM' (blue). To the right of the map, there is a search bar with the text 'search for a household'. Below the search bar are two sorting options: 'Sort by Distance' and 'Sort Alphabetically'. A red arrow points from the 'ODYSSEY PROGRAM' button towards the right side of the image.

## Step 7

Find your account and school in the yellow button drop down or manage your household.

## Make connections!

After clicking on your school, Zoom in and out of the interactive map to see who's around you.

Your home address is the red heart symbol.

Your school is the green symbol.

Your household contact information will be displayed in the right sidebar.
